

Lady Lodge Golf Society

To all at the Folksworth Golf Society.

We would like to thank all the organisers and sponsors of "The Bill Golightly Golf Competition" held at Stilton Oaks.

We all had a great day and very much look forward to next year's competition.

In the meantime, if you fancy a match play competition, we have between 16 and 25 players with handicaps ranging from 12 to 28 who would love a game or two before then.

We could play a game at Stilton (support the local course) or at any agreed course.

Once again, thanks for a great day.

Wishing you a very merry Christmas,

The Lady Lodge Golf Society.

Tony Moss (Captain)
