Dear Pete

**Folksworth Golf Society Donation**

On behalf of the Peterborough committee I would like to extend our sincere thanks for the donation we have received via Derek of £585.00

Derek tells me you raised three times the above amount split between us and two other worthwhile causes which is a credit to you and all concerned.

Derek also tells me he will attend (subject to availability) your AGM to thank you all personally for this donation and others received from your organisation over the past few years.

Your Donation goes directly into the Macmillan Cancer Care Appeal which is to raise funds for the improvement of Cancer Car facilities and to support the Macmillan Specialists, Doctors and Nurses and is greatly appreciated by all concerned.

Many thanks once again for your help and support and please pass our gratitude on to all concerned.

Yours Sincerely

David Pittham OBE  
For Peterborough Committee.
